第3探 Chapter 3

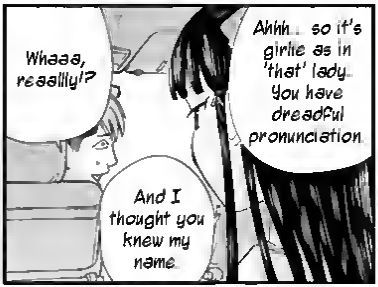
ロバートに いったい何が

What the heck happened to Robert?

I know what this is. It's the carriage they call a bus.
ブォー
Maybe it looks like ooonne?
There seems to be a lot of people. Is there a festival today?
So girlie, what's your name?
I'm Jun-chan
Did this girl come from the farthest reaches of the country-side?
How nice This is gonna turn out great

No... girlie means lady. Come on, third person prounoun!?
That's how we call people out.
A joke!?
Wha
What are you talking about? You were the one who called me girlie, correct?
Is my name not girlie?

Uhhh, what'ya mean!? Lady, you don't know your own name?
No. I do not have the slightest idea. I do not know anything at all.

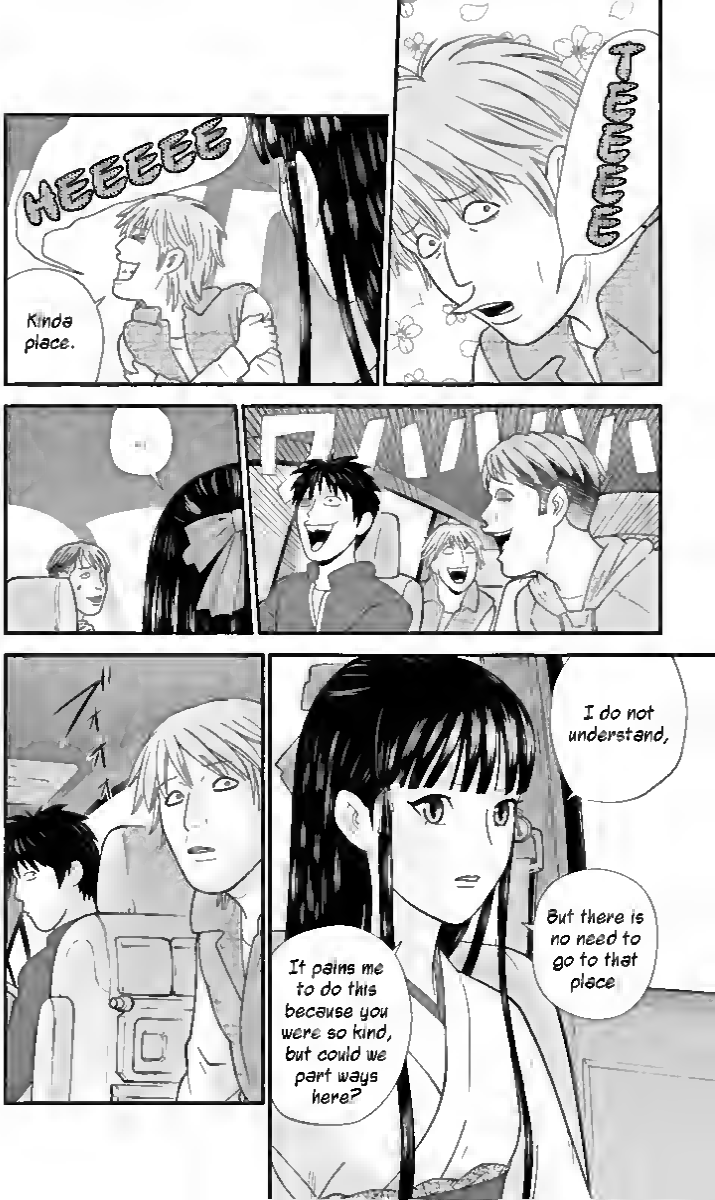


Whaaa, reaallly!?
And I thought you knew my name.
Ahhh... so it's girlie as in 'that' lady. You have dreadful pronunciation.

A fun place
So where are we going?
Let's go to a quiet place ♡

By the way, you do not know my name, so how would you know my home?
Haha ha!
If you don't know, we don't know anything.

Leave it to us. We'll help you remember everything.
I see, so you forgot pretty much everything.
Looks we picked up a really loose girl



TRAINING
HEEEEE
Kinda place.
I do not understand,
But there is no need to go to that place
It pains me to do this because you were so kind, but could we part ways here?

There's no way we'll stop now after going through so much trouble
You really have no clue, huh?
If you get on, there's no way you're just getting out It's common sense.
Money?
Screech
You have money?
Well money's okay though
Stop it.

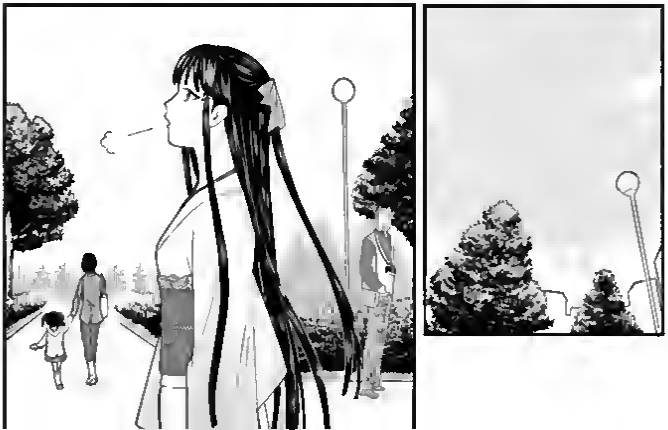
Hebgh
So, how much you got lady?
I'm just gonna say that no amount of money's gonna be enough
I cannot give what I do not have
Whaaaa, so you don't have money?
Whoa whoa, there
You are making me angry when my mind is not very clear
This is irksome
Calm down You came from the country, right? City folk don't do that
Whaaaa, and you hit him? Why did you do that!?

Do not inconvenience me any longer.
I will kill you.

Buhahaha, what the heck?! You got scared about being violated by a girl?
Then what? You got hit by that girl?!
Uhaha-haha, that is so damn lame
No wait, for a country girl, she's weird, and I can't explain it.
You don't normally hit people after saying you can't pay up
That has nothing to do with it. You're so damn lame I'd die on the spot.
Weeell, like I said, she's a little weird.
Ohhh, what kind of woman was she?
Hm...
Well...
Uhhh... Hmmmmm...
What the hell, she should still be around here
Be honest with me

On top of that, she's very self-absorbed
It's like she came from the Edo era.
...a maiden!?

A self-absorbed maiden? Uhahahaha, you guys are morons!
Gyakekeke, that's damn Funny!
Uhahahahaha, you guys can say some funny stuff!



Why did you run from that cute girl?
Shut the hell up, you wimp!
I'd tail her until the cops showed up
Look at her! I told you! I wasn't lying.
You're right
She is a maiden
Hey, girl.

But I was the one you were talking to.
I told you not to inconvenience me
タタタタ

I have no idea what you are talking about.
That man just fell down there.
Whoa whoa, what're you gonna do with him!?
A bad maiden.
Bad.
She's bad.
What the heck happened to Robert?
Do you know?
There's blood coming out. So he got socked.
Wh-what happened to Robert?

Is she that bad!?
A bad maiden!?
Cut the crap, you did that!
